

INSTRUCTIONS FOR PARAGRAPH RECOGNITION

(Read these instructions to the patient):

Please read the paragraph on this page. In that paragraph some words are underlined. Cross out each of those underlined words that you remember as having been on the 1st list of words you previously learned. *(the list I read to you 5 times)*

(If necessary you may elaborate on these instructions but do not give any indication as to how many of the 30 words actually appeared on the original list).

---

The teacher swallowed his coffee quickly and hurried down the road toward the river. He crossed the bridge and tipped his hat to the farmer cleaning his turkey pen. Every minute or so, he wiped his forehead and nose with his kerchief. He arrived at the school house just as the last bell rang. His moon face was the color of a garden beet. Through the classroom curtain he saw a parent pace the floor while the children played soldier with a broomstick gun and a drum.
