The teacher swallowed his coffee quickly and hurried down the road toward the river. He crossed the bridge and tipped his hat to the farmer cleaning his turkey pen. Every minute or so, he wiped his forehead and nose with his kerchief. He arrived at the school house just as the last bell rang. His moon face was the color of a garden beet. Through the classroom curtain he saw a parent pace the floor while the children played soldier with a broomstick gun and a drum.

words actually appeared on the original list).

but do not give any indication as to how many of the 30

(If necessary you may elaborate on these instructions

list of words you previously learned. (the list I read to you 5 times)
